ARTIST STATEMENT

When immersed in the design process, I focus on my designs being new and conceptually strong. Constructively, my works share a stronghold composition and the layout in each piece is executed "to-the-T". I enjoy showing my process and the various ways I can treat each work. I don't want to be a trendy artist, I want to be a timeless artist.

WORK EXPERIENCE

FREELANCE

2012–PRESENT

Constructed flyer's for businesses that were used for promotions, created and illustrated poster designs for club events, constructed and laid out logo and business card designs for clients.

TARGET

2013–PRESENT

TEAM MEMBER

Provided guest service through sales, pushed sales and promotions in each department. Multitasking in other departments throughout the company store, built time management skills in a fast-paced environment.

LITTLE CAESAR'S PIZZA

2009–2013

CREW MEMBER & OPENING MANAGER

Prepped large amounts of food for daily sales. Opened the store and worked in fast-paced environments alone. Collected and counted money deposits. Provided fast and friendly service to guests by offering deals and combos.
