ARTIST STATEMENT

When immersed in the design process, I focus on having my designs being new and conceptually strong. Constructively, my works share a stronghold composition and the layout in each piece is executed "to-the-T". I enjoy showing my process and the various ways I can treat each work. I don't want to be a trendy artist, I want to be a timeless artist.

WORK EXPERIENCE

FREELANCE
2012—PRESENT
Constructed flyer's for local stores that were used for promotions, created and illustrated poster designs for club events, contructed and laid out logo and business card designs for clients.

TARGET
2013—PRESENT
TEAM MEMBER
Provided guest service through sales, pushed sales and promotions in each department. Multitasking in other departments throughout the company store, built time management skills in a fast-pased environment.
